La Réunion

Traditional ...

The second part will take you within the great cultures that shaped Reunionese landscape and know how: sugar cane plantation, discovery of the secret of vanilla, production of various spices... eventually you will find out our coffee field reminding the first main culture leaded on our lands. The production of 2 exceptional coffees: the “bourbon rond” and the “Bourbon pointu” around the traditional straw-house. Moreover you will know everything about another major industry of the island: the production of essential oil.

Open bar :

Savana's coffee bar will allow you to savour our 2 bourbon coffees and many other great coffees of the world freshly roasted! try out our traditional cakes as well as our delicious homemade fruit cocktails

The handwork shop is the opportunity for you to get original souvenirs of our little island.

Our museum shows out all the ingenuity around the art of coffee.
